New and Bestselling Titles from Routledge Philosophy

Philosophy Textbooks from Routledge bring together leading Academics and Researchers from across the globe, contributing to titles in a variety of subject matters within the philosophical medium.

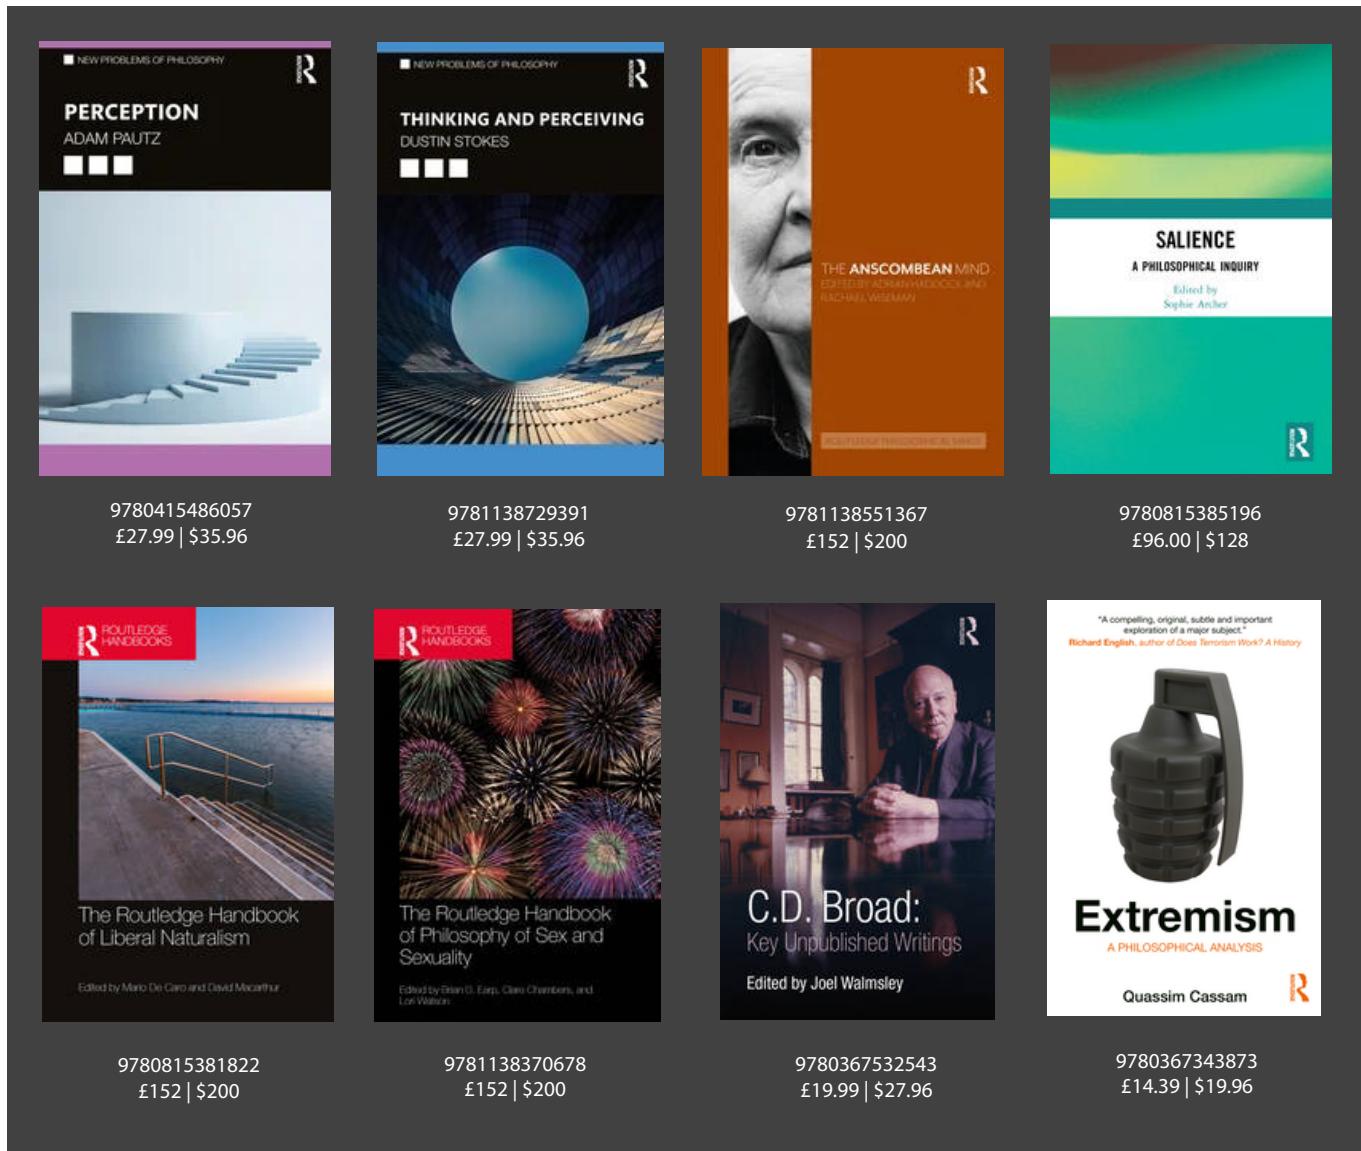

Our key Philosophy textbooks are designed to educate and support Lecturers, and their Students, from first year through to Masters level and beyond. Topics ranging from **Ancient Philosophy, Metaphysics, Epistemology**, through to the **Philosophy of Science, or Religion**, are covered in-depth and debated in great detail through arguments and discussion from all sides. Supporting materials help enhance learning inside and outside the classroom to really help students with their understanding of the intricate conversations facing today's Philosophical experts. Check out a selection of our leading titles, below*.

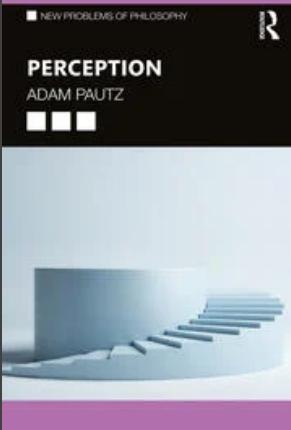

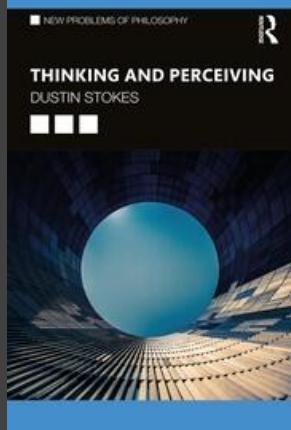

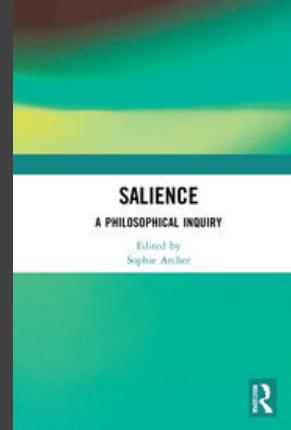

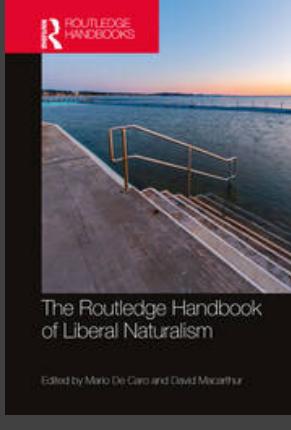

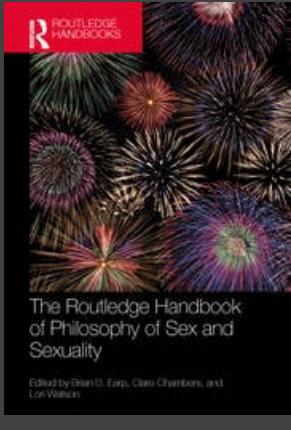

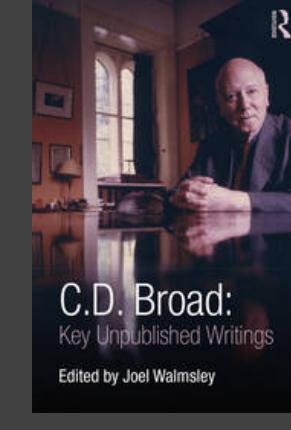

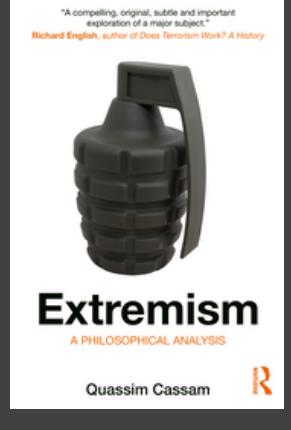

If you have an idea for a book that you think would be appropriate for our subject area then please contact our Philosophy Editor to discuss further.
